

Lesson 6

Pictures of Jesus

# *The Wonderful Counselor*

*Jesus, the Wonderful Counselor, teaches us about the salvation that He earned for us.*

**Isaiah 9:6 | “And he will be called Wonderful Counselor.”**

A counselor is someone who is smart and can give you good advice. A counselor is someone you can trust and who you will listen to and follow.

Something that is wonderful is much better than something that is good. Something wonderful is terrific, amazing, fantastic and full of wonder. Jesus is all that and much more.

There is no better counselor than Jesus. Jesus is the Son of God the Father. Jesus lived a perfect life without sinning. Jesus is the perfect person to give us advice on how to live and what to believe. Jesus gives us that advice in the Bible and we should follow what He told us to do.

Are you afraid of something? Are you sad about something? Are you angry at something? Are you confused about something? You have a counselor who can give you good advice. You have a counselor that loves you more than you could ever know. This counselor is always willing to help you. This counselor is Jesus.

There is something very special about our special counselor. He is God. Not only can Jesus give you good advice, but He can help you with

any problem you have in life. Jesus can do anything and all you have to do is ask Him. Every time we pray we are asking Jesus to give us advice and help. Jesus never fails to help us. Sometimes His answer is not what we thought it would be but we can be sure that what Jesus wants for us is the best. For example, if a child wants a real gun, that would be dangerous. If he asks for a gun the answer would be no. That is how Jesus answers our prayers. Sometimes He has to say no because He knows that what we want would not be good for us. That is what a Wonderful Counselor is all about, knowing what is best for us.

#### PRAYER TIME

I thank you Jesus for wanting to help me with any problems I may have. Help me make the right choices in life and be by my side to stop me when I am going the wrong way. Help me to want to listen to Your good advice. You will never lead me the wrong way. Amen
