JESUS TAKES CARE OF FLOWERS, BIRDS AND PEOPLE

LUKE 12:27-31

Jesus made the flowers and the birds. He also made us. Jesus tells us to look at the flowers and the birds. They teach us lessons.

The flowers are pretty, but they don't stay up nights in order to be pretty, because God made them that way and takes care of them. They don't need fine clothes, because God made them grow with beautiful clothes already on. The birds don't worry about putting food in barns, because God cares for them. Jesus is telling His friends that God, who takes care of the flowers and birds, will also take care of us.

PRAYER

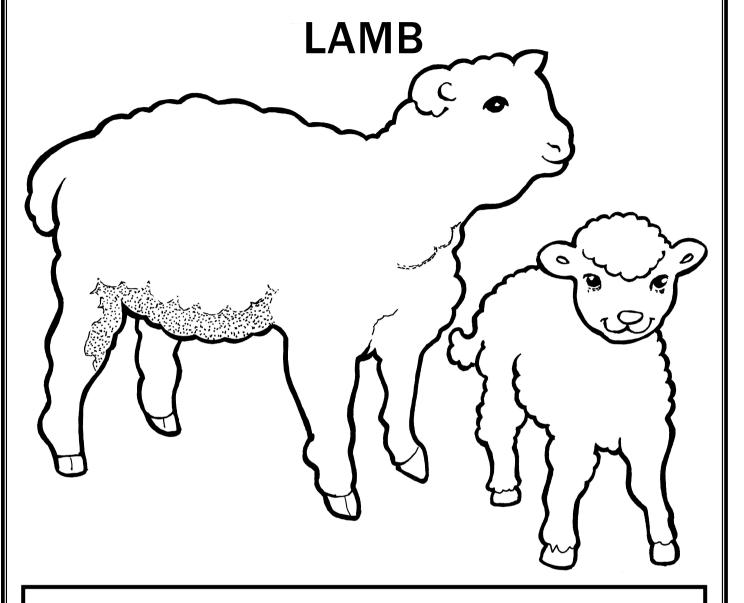

Lord, teach us to believe that you give us clothing, food, and everything we need. Amen

Bible passage for older children to memorize:

I PETER 5:7

Cast all your anxiety (care) on Him (Jesus), because He cares for you.

ANIMALS FROM THE BIBLE

The baby sheep, called a lamb, does nothing to find food or shelter. The mother sheep provides all that the lamb needs. She keeps it well fed and safe. All the lamb needs to do is stay near its mother.

God treats us all the same way. He provides food and shelter and all we have to do is believe that Jesus is our Savior and follow Him. All of the good things we have come from God.

LUKE 12:27-31

Consider how the lilies grow. They do not labor or spin. Yet I tell you, not even Solomon in all his splendor was dressed like one of these. If that is how God clothes the grass of the field, which is here today, tomorrow is thrown into the fire, how much more will he clothe you, O you of little faith! And do not set your heart on what you will eat or drink; do not worry about it. For the pagan world runs after all such things, and your Father knows that you need them. But seek His kingdom, and these things will be given to you as well.
